▪ **How to redeem points**

At the end of each month we will send you an updated status of your account and the rewards you can already claim. You can either redeem your points for one of the rewards offered or keep accumulating them to get a higher reward.

The points you earn as a member can be redeemed for drinks vouchers at our trendy Bar or our new Roof terrace top bar, delicious dinners for two at our Michelin recommended restaurant and free accommodation at the hotel, as well as spa treatments.

Should you wish to redeem your points please email us with the reward you want, and the confirmation and reward will be sent to you within 5 working days

Should you wish to keep on accumulating points to opt for a bigger reward you don't need to do anything – we will keep track of your bookings and points and update you on your account status monthly

Terms & conditions

Points are awarded to individual agents

Points are awarded based on the confirmation of the event and the final numbers booked

Points are awarded to bookings placed after the agent has registered to the programme and subject to the quotation of their personal code at any time during the booking process

Points are not retroactive and do not apply to bookings made before the agent joins the programme

Booking of bedrooms will generate points for the agent as long as the bedrooms are associated to a meeting or event
